على الطريق الهام افيدك بان سلطات الجيش افادت بانها لم تتمكن من
معرفة السيارة التي ادعي بانها داسست هذه الاغنام كما وان الرقم
الذي اعطي يختلف عن ارقام سيارات الجيش التي تتالف من سبعة
ارقام وما لم تثبتوا ان السيارة هي سيارة جيش وكان يركبها احد
الجنود فالسلطات العسكرية لا يمكنها ان تتابع هذه القضية حيث ان
سيارات كثيرة سرقتم لاجلها .

ASSISTANT DISTRICT COMMISSIONER'S OFFICE

2nd April, 1948

Officer Commanding,
Naval Headquarters,
Haifa.

Abdel Zahei Mohammed Radwan - Late Stoker
Royal Navy.

The abovenamed who is at present a Temporary Additional Constable stationed at Tulkarm has approached me on the following matters.

1. It appears that when he joined the Navy in the recent war the naval authorities in Haifa took charge of certain certificates he had in connection with his service with the British Army in the 1914-18 war. These certificates were not handed back to him by the Naval authorities when he was discharged and Abdel Radwan wishes to know if he may now have the certificates or copies thereof. His Army number in the first war was 10629.
2. Abdel Radwan has been officially notified that he is entitled to the Africa Star for service in the recent war and wishes to know if he is also entitled to the 1939-45 Star.

It would be greatly appreciated if you could assist in these matters. I should add that Abdel Radwan has had long service with the British Forces and Government departments in Palestine. He is of Egyptian origin and it is his intention shortly to return to his native country and there or in North Africa to seek further employment with the British. For these reasons the certificates and medals are of importance to him.

Incidentally I should state that Abdel Radwan is a cook-batman with considerable experience. He is reliable and also a good cook. He would be prepared to work again in the Navy in Egypt or North Africa if his services could be utilised.

The official prison visitors made two calls each at Nur Esh Shams and Feris Eff. Hamdan and Rafiq Eff. Hamdalla showed a much greater interest in their duties than their predecessors.

Nur Esh Shams has now been closed as a prison and my inspections will therefore be confined to the Tulkarm prison in future.

ASSISTANT DISTRICT COMMISSIONER'S OFFICE
TULKARM.

12th March, 1948

District Commissioner,
Samaris District.

I have the honour to refer to my letter T/1/20 of 14th February, 1948, and to state that the greener gun and equipment recently on charge to the Tax Collector, Nathanya, has been withdrawn and is now in Police custody in Tulkarm.

The number of the gun and details of equipment are detailed hereunder:-

2. Ammunition - 50 rounds
3. Rod cleaning G.G. - 1
4. Mop Greener - 1
5. Brush wire - 1
6. Jag Greener - 1

This gun, like those mentioned in my letter of 14th February, is on charge to the District Administration.

The Police have been advised of this fact and no gun will be moved from Police custody unless authorised by you.

-----Subject:- Hg. 1688/1 R. fuse Tum - Kfar Yona -
Requisitioning: 8.5.47.

I have the honour to refer to letter 1688/1/652 dated 6.3.48 from the Area Hirings Officer, Nazareth, with a copy to you and to submit the following observations:-

The Area Hirings Officer, Nazareth, in his letter 1688/1/206 dated 24.1.48 (copy attached) has asked me to complete Collective Agt. 1688/1/1. I in my turn has contacted all the landlords concerned to sign the Agreement in question, all accepted the terms except Salha Abdallah Yusef Khalil and the representative of Sunduk el Umma (Arab National Fund).

In my letter of even number dated 24.2.48 I wrote to the Area Hirings Officer as follows:-

" I have the honour to refer to your letter 1688/1/206 dated 24.1.48 and to enclose herewith, two copies of the above mentioned Agt. duly signed by all the landlords with the exception of Salha Abdalla Yusef Khalil and the representative of Sunduk el Umma.

Salha Abdalla Yusef Khalil gives no logical reasons for refusing to sign the Agt. and the representative of Sunduk el Umma alleges that he is not authorised to sign such agreements except with prior instruction of Ahmad Hilmi Pasha, Director General of Sunduk el Umma".

As this is an Army hiring, I have no alternative but to recommend the requisition of the area in question.

I should be grateful if you would review these arrangements and consider the advisability of adopting uniform policy as that applied in Nablus and Jenin.

H/Q., Palestine.

I have the honour to refer to your letter S/1662/1/Hgs dated 6.12.47, and to return herewith the two discharge certificates No. 13 and 14 sent under cover of your above quoted letter together with the copies of schedules duly signed by the payees as requested.

I have to mention here that an error has been detected for a difference of LP. 2 between the value of the two cheques and the amount shown on the schedules viz:-

a) Value of cheque No. 415577	LP. 158.520
b) " " " No. 41578	LP. 137.020
	<u>LP. 295.540</u>
c) Amount shown on schedules	LP. 293.540
	<u>LP. 2.-</u>

I would presume that this difference of LP. 2.- is to be paid to No. 40 Ali Awad Jibril who received only LP. 4.460 mils while his brother No. 39 Mohd. Ahmad Jibril was paid LP. 6.460 mils having an equal area of land to that of his brother.

I should be grateful if you would clarify the position so that I might see my way to dispose of the LP. 2.- in question.

6th March, 1948

District Commissioner,
Samarria District.

I have the honour to refer to your communication S/20 of 1st March, 1948 concerning damage to grid lines and I would comment as follows:-

- a) All thinking people in this area realize that causing damage to the grid system is a foolish act which benefits no-one. Damage which has occurred has probably been done by Arabs of low character and less mentality who think it is clever to inflict damage on any Jewish owned property.
- b) Neither the police nor myself know of any case where while an inspection was being made groups of people were seen carrying off wire.
- c) Strong pressure has been brought to bear on the National Committee which in turn, together with myself, has brought pressure to bear on the President of Qalqiliya Local Council and other Mukhtars to prevent repetitions. So far this has been successful in the Qalqiliya area.
- d) Destruction which took place near Qaqun resulted in 4 men being arrested. They were tried by Military Court in Haifa but were acquitted owing to lack of proof. The exhibits consisting of some wire and pliers are being returned to the Company.
- e) The Electric Corporation's property receives as much protection as any other property and patrols whether Police or Army are always on the look-out for any damage or thefts taking place.
- f) All cases of damage when seen or reported are investigated.

ASSISTANT DISTRICT COMMISSIONER'S OFFICE
TULKARM.

28th February, 1948

District Commissioner,
Samaria District.

I have the honour to refer to your communication 2/60 of 6th February, 1948, concerning pension to the mother of the 1st constable Rushdi Nimer Abdel Rahman Jayousi.

The facts of this case are as follows:-

- a) The mother at present lives in Tulkarm with her husband.
- b) The husband owns about 70 dunums of land near Qalansuwa and lives on the produce which is vegetables and cereals.
- c) The mother owns no property herself.
- d) The family consists of 4 males and 4 females, only two of which are however young.

I am satisfied that the mother is dependant for her living on her husband. Although the husband owns some land he cannot be considered by any means wealthy and he is I believe often in debt. Nevertheless I believe after due inquiry that the mother must be considered as adequately provided for.
